Around the Watercooler

Department Feature

In our feature this week, we highlight Beth Klein with the Library Staff!

Name: Beth Gelroth Klein

Job Title: Library Assistant III

Brief description of what you do at the Law School: Some of the ways that I support the students, staff, and faculty of the law school include...
...securing materials for their research and writing from other libraries, courts, or private/government agencies.
...showcasing faculty publications in the law library display cases and through

the [NDLScholarship](#) Repository.

...providing data collection and analysis so that the law school can compare itself to peer institutions.

...assisting with institutional history projects by using materials collected in the Repository and at the University Archives.

Family: Jeff and I have been married for 40 years--living 25 of those years here in Mishawaka. Yes, I was a teenage bride and I hope to beat the family record of 75 years. We have four adult kids, two son-in-laws, three grandkids, and two cats.

What do you like to do outside of work? Jeff and I share hobbies in DIY home updates, hanging with the grandkids, and planning our next trip to Walt Disney World--2010 was our first trip. If you ever want to talk about anything Disney, let me know.

One interesting fact, accomplishment, or tidbit you would like to share about yourself: I earned a master's degree in communications and public relations at the same time that my husband was in law school and we had two toddlers. Before coming to Indiana I wrote public interest stories for local newspapers and taught public speaking at universities in North Dakota. I continued teaching here at Ivy Tech as a second job for eight years.
